BOARD REVISES BYLAWS AND HBA LEADERSHIP

At its March meeting, the Board of Directors adopted several revisions to the bylaws. The changes were mostly "clean-up" and for clarification. The last full review occurred in 1997.

The most significant change was in the area of governance. To better define the roles of the officers, the Board has renamed its leadership. The Executive Office (EVP) is now the President/CEO while the President, Vice President and Past President are the Chairman of the Board, Vice Chairman and Past Chairman. The position of Secretary/Treasurer will remain the same.
